To promote Ek Bharat Shreshtha Bharat objectives through online mode, an E-Pledge on Environmental Awareness is being conducted on September 19, 2020 through Google Meet . The EBSB club of Sri Manakula Vinayagar Engineering College, Puducherry organised this activity.

E-Pledge on Environmental Awareness

I will respect all living things, and the natural environment on which they depend, for each is a link in the chain that supports life on earth

I will actively support watershed management & re-afforestation programmes. I commit myself to planting and nurturing trees and shrubs so as to enjoy the myriad benefits of their existence.

I will strive to make sustainable use of our natural environment so that no species will be threatened or disappear because of my actions, and i will strive to protect all species particularly those that are rare, threatened or endangered.

i will call attention to cases of pollution and other abuses of nature caused by environmentally inappropriate policies, projects, commercial processes or products.
