EK BHARATH, SHRESTHA BHARATH

Venue: J-511

Date : 28.02.2020

“We can feel the real happiness only when we serve the people.”

NSS helps the Indian citizens to understand the community in which they work, to understand themselves in relation to their community, to identify the needs and problems of the community and to involve them in problem-solving. The Motto of NSS "Not Me but You", reflects the belief that the welfare of an individual is ultimately dependent on the welfare of the society.

As a part of this, a central government program **EK BHARATH SHRESTHA BHARATH** was conducted 28th February 2020. The program commenced at 4.30-6.00pm. The event was coordinated by our Program officer Dr.R.Senthil Kumar. Around 40 students participated in the program enthusiastically.

Our Program officer Dr.R.Senthil Kumar addressed the gathering. He briefly explained about the importance and the benefits of Tamil language. This session was an interactive session between Jammu Kashmir students and Tamilnadu students. Firstly, all the students were asked to write ten sentences in their mother tongue and they were asked to teach those sentences to the other language students. So this created a good exposure among our students. Few Kashmiri students wrote a poem praising Tamil language. This portrayed the beauty of Tamil language. Students were also asked to depict their traditions. This showed their love towards their tradition and custom. Thereafter, our students sang a song to praise their mother tongue. This created a good vibrant among the students. Finally, the program was a grand success and served as a perfect beginning for the endless community service
