A visit to AICTE IDEA Lab at Poornima Institute of Engineering and Technology

Poornima Institute of Engineering and Technology (PIET) is one of the important colleges of the Poornima Group. PIET is the only one institute in Rajasthan to establish AICTE-Sponsored IDEA Lab for training and development of students and society with hand on learning of latest technologies. The total cost of the project is split into AICTE (50.39 Lakh), Industry and Institution (58.27 Lakh) along with some additional expenses (6.12 Lakh).

DAY 2:

Figure: The group ready for a whole day tour of the Pink City.

Figure: The group pose in front of the 18th century Albert Hall.

Day 2 of the Inter-college student exchange program starts with Jaipur city's oldest museum, the Albert Hall Museum (also known as the Government Central Museum). This Indo-Saracenic museum is named after King Edward VII (Albert Edward) which has a rich collection of paintings, jewellery, carpets, ivory, stone, sculptures, crystals and coins from various periods (Gupta, Kushan, Delhi Sultanate, Mughal, British).

Figure: SITM faculty Dr. Shehnaz Rahman tasting local street food.

Figure: The group the busy market of Bapu Bazar.

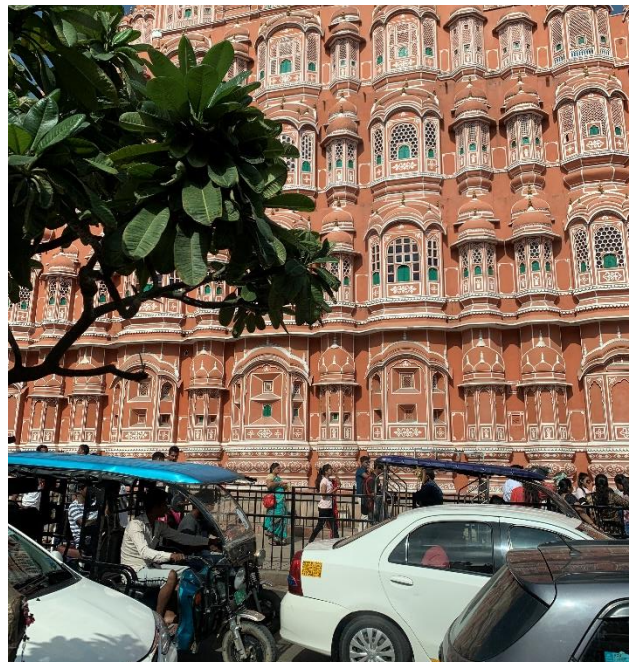

Figure: Hawa Mahal viewed from the back.

After tasting the local street food of Rajasthan, the group visit the Hawa Mahal. This five-floor structure with intricate latticework was built by Maharaja Sawai Pratap Singh and designed by Lal Chand Ustad in 1799. Interestingly, the street view of the Hawa Mahal is from the back of the palace.

Figure: Interior of Hawa Mahal as seen from its tallest structure.

Faculty of Planning & Architecture

Coordinator(s)
Ar. Saurabh Sharma (7742533960) • Mr. Balwan Sheshma (9079245861)

Figure: Poster for visit to Jawahar Kala Kendra.

Day 4 of the inter-college student exchange program starts with one of the architectural and cultural heritage symbols, Patrika Gate, Jaipur. Interestingly, the pillar of the gate depicts various regions of Rajasthan.

Figure: The group poses inside Patrika Gate

From Patrika Gate, the group moves to the multi-arts centre, Jawahar Kala Kendra, Jaipur. The architect of the centre, Charles Correa, got the inspiration from the original city plan of Jaipur, consisting of nine squares with an open Central Square.

Figure: Faculties of SITM and PCE pose in the Jawahar Kala Kendra.

Figure: A description of nine squares plan of Jawahar Kala Kendra by Ar. Saurabh Sharma.

Figure: The entire group poses in front of Model villages for each part of Rajasthan.

After visiting the Jawahar Kala Kendra, the students and faculties of both colleges are inspired by the interactional speech by Mr Paresh Gupta. He is a youth mentor, advisor and motivator and enlightens everyone with the knowledge of entrepreneurship and Marwadi Business.

Figure: Before a motivational talk by Mr. Paresh Gupta.

Figure: Paresh Gupta during his motivational speech on entrepreneurship

Figure: The group at the gates of Chokhi Dhaani.

Day 4 ends with the vivid colour of Chokhi Dhaani, where a glimpse of Rajasthan's culture, food, traditions and heritage is showcased. To attract and introduce tourists by

depicting Haldighati battles, Rath Khana, and the Temples of Chokhi Dhani. The place also has various activities for visitors, such as animal and cart rides, music and dance performances by locals (kalbeliya, ghoomar, chari dance), and games (Bhool bhulaiya, Jungle Sair, Gufa Jharni).

Figure: SITM students waiting for a sumptuous Rajasthani thali at Chokhi Dhaani.

Figure: Various Rajasthani cuisine under one roof

DAY 5:

Figure: The group arrive at Poornima University.

Figure: Attending a traditional Pottery making workshop at Poornima University.

Figure: Mayamoni Sarmah, SITM student with her creations

On the morning of day 5 of the inter-college student exchange program, the students and faculties of SITM visited Poornima University. The event coordinators have shown the

university's art building area, academic and administrative block, laboratories, and sports grounds. After the university tour, the entire group attended a pottery-making workshop. The students and faculties have learned about pottery-making techniques and made various figurines themselves.

After the workshop, the entire team got the opportunity to meet the vice chancellor, Dr Suresh Chandra Padhy. The meeting starts with the faculties and students' interaction with the vice chancellor and concludes with the warm, motivating words of Dr Padhy.

Figure: Meeting Vice Chancellor of Poornima University

After visiting Poornima University, the coordinators of the events reserve time for students' rehearsals for their traditional performances. Before the valedictory ceremony, the entire team of SITM met Mr Rahul Singhi, the Director, Poornima Group and Co-founder, Poornima University (India). He interacts with the faculties as well as the students of SITM. Also, he is facilitated with Assamese "Gamusa", the Assam team and a wooden replica of the One-horned rhinoceros.

Vivek Agnihotri calls Bollywood 'fake'

CONCLUSION

The 5 day trip was an enlightening event for both the students and faculties of SITM as they were thoroughly exposed to the art, culture, food and tradition of the state of Rajasthan. We hope the students and faculties of PCE also got a glimpse of the people of Assam before they make their journey to Assam in the month of December 2022. This event happened under the auspices of both the colleges as both of them acknowledge the need for such cultural exchange. Hopefully, such kind of events is a beginning of a long culture of exchange of students, ideas, art and culture. At the end, this event wouldn't have happened without the vision and support of our respected Chairman Shri Sudip Lodh Sir and respected Director Smt. Jhumur Lodh madam.
