PRAKALP PRADARSHAN 2019 PROJECT EXPO

Prakalp Pradarshan 2019 is a poster presentation for the students of all engineering streams of I Year B. Tech, scheduled on 23rd and 24th December 2019 to exhibit their social awareness, issues and the proposed solutions on a poster.

Around 168 innovative ideas were explained by the 168 teams of interdisciplinary students.

In order to get the social awareness, initially all these students were exposed to several communities. A practical approach will be applied to identify, analyse, available solutions and then to select a feasible solution which should be feasible.
