

## **REPORT : QUIZ SESSION (9<sup>th</sup> DECEMBER 2021)**

With the ongoing Orientation Program of BCIMCT's freshmen (Batch 2021-2025) and the consistent efforts put in by the faculties towards the same and helping students to learn at this hour of the global pandemic virtually through Teams, 9<sup>th</sup> December 2021 was seen as the day when students were finally tested with a quiz of Sikkim and its cultural Diversities , (After briefing session on EBSB) helping them to understand the cultural and traditional aspects of Sikkim.

The session was conducted by Mr. Sidharth and Ms. Nausheen, where Mr. Sidharth gave a brief description about the quiz which was going to take place, and the importance of possessing knowledge of EBSB and the Paired state . The students were required to download the Kahoot App on their mobile phones, which served as the platform where they could answer to the given questions with just a single tap on their smartphones. This not only depicts the importance of possessing knowledge but also showcases the significance of technology in not only a modern-world, but also a pandemic-world.

The students were to answer 50 questions in an hour one by one. After when Mr. Sidharth briefed the students, the session was handed over to Ms. Rachna, where she continuously supported the students, motivated them and tried to bring out the essence and importance of EBSB . The students too were happy and showed interest and full participation in this interactive quiz session.
