4th May 2022, The National Assessment and Accreditation Council (NAAC) visited our prestigious college to have a walkthrough of the culture that is being followed and taught to the young minds. All the faculty members and students together prepared a very eventful day. Firstly, the front office team welcomed the NAAC team in a very traditional and beautiful manner. After a mesmerizing welcome, everybody sat down for a mouth-watering lunch prepared by our talented kitchen team and served by the service team portraying their utmost elegance and joy in the service. The menu consisted of the food from Delhi and Sikkim, to vitalize the appetite of the NAAC peer team, the service team served the amazing khuri and sha phale, the appetizing snacks from Sikkim. And to top it up, served biryani along with bamboo shoot curry for a full-fledged meal.

After Lunch, everybody gathered in the auditorium to watch and experience a list of events prepared by our very much talented cultural team, to provide entertainment and refreshment to our fellow audience. Beginning with the dances of India, Dance plays a very important role in the picture, as we know Delhi has adopted many dance styles from its neighboring states one of them is Maruni from Sikkim. Coming on the hospitality of the two states, both the states have always been known for their way of treating guests like Gods and serving them accordingly. A short reflection of the beauty of Sikkim was prepared and presented by the students in the form of an act where students reflected on the daily lifestyle of a local house in Sikkim and a ppt showcasing the nature of Sikkim was played in the background followed by a dance performance inspired from Sikkim.

To educate us more about the unity in diversity, the cultural team prepared a mute play where they portrayed the diverse nature of religions alongside the only connection between the religions is the nationality and the pride of calling oneself INDIAN was reflected. The act brought everyone to tears and made everyone acquainted with the importance of unity.

After the act, the event was concluded with the national anthem where everybody gathered and paid respect and tribute and sang the national anthem unitedly.
