

FLOWER ARRANGEMENT

REPORT

MONTH- OCTOBER

Banarsidas Chandiwala Institute of Hotel Management and Catering Technology organised The Flower Arrangement and Towel Origami Competition on October 06, 2023. The two events resulted in an amalgamation of innovative thinking and technique, resulting in a captivating presentation of creative work. This unique event blended the elegance of floral designs with the subtle expertise of towel origami, highlighting the beauty of the natural world and innovation.

The competition evaluated entries based on criteria such as creativity, craftsmanship, balance, harmony, and overall visual impact. The competition was incredible, with participants pushing the boundaries of their artistic skills. The passion and imaginative thinking of the students were evident from the start of the competition, as the students eagerly accepted the task of portraying a chosen theme through both flower arrangement and towel origami. This event demonstrates the capability of art to inspire, blend thought, and gather emotions, while also emphasising students' fresh ideas and limitless creative thinking.

Ms Jivya Jaggi, batch 2022-26 achieved 2nd position, her arrangement of flowers was inspired by the natural beauty of Sikkim. She created an Ikebana arrangement, which is closely linked to Buddhism and has a significant impact on Sikkimese culture and spirituality. The state is home to many monasteries and stupas, and beautiful arrangements made with flowers like chrysanthemums, peonies, and birds of paradise. She also emphasised the state's natural beauty, which captivated the audience and distinguished her.

Such artistry events always leave an impression on everyone, such events also inspire students to know more about the hidden beauties of India and its hidden gems. Students are inspired to organise more such events in the future to increase their artistry knowledge and skills on a higher level.
