

# Youth Mela

## REPORT

### MONTH- February

The students of Banarasidas Chandiwala Institute of Hotel Management and Catering Technology got the opportunity to visit the inspiring “Youth Mela” at Bharat Mandapam, Pragati Maidan, New Delhi on 7 February 2024.

The “Government Initiatives Empowering Youth for Quality Development” event held at Pragati Maidan was a transformative experience. The gathering aimed at fostering the holistic development of the youth through various government initiatives. Distinguished speakers highlighted policies promoting education, skill development, and entrepreneurship. Talking about the amazing food students tried at the stalls. Indulging in various dishes from a variety of national cuisines, but again the highlight of it all remained the northeastern cuisine which everybody devoured like Momos, Thukpa, and Gundruk. The flavours were mouthwatering! Each bite was a burst of taste and left everyone craving for more. It was a true culinary delight!

The next stop of the tour was the stalls, which captivated us with their beautifully crafted wooden artefacts, intricate textiles, and vibrant paintings. The stall showcased the rich cultural heritage of India and students were in awe of the craftsmanship and artistry on display. The attention to detail in each piece was remarkable, and nobody could resist admiring and appreciating the talent showcased.

Another highlight of the visit was the opportunity to listen to the life experiences of Indian boxing legends like Ms Mary Kom and Mr Vijender Chauhan as they shared their inspiring stories of hard work, determination, and perseverance. It was truly motivating to hear about the challenges they faced and how they overcame them to become champions in their respective fields. Their words resonated with us and left us feeling inspired to chase our dreams. And let's not forget about the chief guest, Mr Piyush Goyal, his presence added an extra level of excitement to the event. As a prominent figure in the world of politics and business, his speech was insightful and thought-provoking. We were honoured to have him grace the occasion and share his wisdom with us.

Overall, this event catalysed youth engagement, emphasising the collaborative efforts needed for quality development. It left attendees motivated and informed, ready to leverage the available resources for personal and societal growth. All students in attendance look forward to more such informative events.
