Report Description:

The EBSB Club of TAPMI organized an engaging event titled "Fusion Fiesta" on 27th June 2024, aimed at fostering camaraderie and promoting cultural awareness among the student community. The event featured three interactive activities: Name Game, Two Truths and a Lie, and Pictionary based on Indian Movies. These activities were designed to encourage open communication, appreciation of diverse backgrounds, and celebration of India's rich cultural heritage. The event was skillfully coordinated by Mr. Advait Medhekar, Ms. Monica Murray, and Mr. Avinash Velamati, with enthusiastic participation from 52 students.

The participants were divided into five groups, each consisting of approximately ten members. They chose leaders to facilitate decision-making during the activities, ensuring smooth coordination and encouraging leadership skills. The Name Game helped participants break the ice and get to know each other the states they came from and something special about their states, while Two Truths and a Lie deepened connections by promoting empathy and understanding through personal storytelling. Pictionary, with prompts based on Indian movies, celebrated the country's rich cultural heritage and promoted teamwork and cross-cultural awareness.

Overall, "Fusion Fiesta" was a resounding success, achieving its objectives of fostering unity and cultural awareness among participants. The event not only provided a platform for students to interact and bond but also reinforced the core values of Ek Bharat Shreshta Bharat by celebrating India's cultural diversity and promoting unity.
