Report Description:

The EBSB club of TAPMI held a presentation session on 19th November 2024, the event was named Virtuoso – an online unstop event. Virtuoso 2024 focused on the theme, *"Doubling Uttarakhand's GDP by 2047: A Strategic Roadmap Aligned with Vision 2030"*. The event aimed to explore innovative and sustainable solutions to accelerate Uttarakhand's economic growth while addressing key challenges like geographical constraints, economic diversification, and ecological sustainability. Participants were encouraged to propose actionable strategies aligned with India's Vision 2030 and the broader national goals for 2047. There were 96 participants for the quiz round representing some of India's top business schools, including IRMA, IIM Lucknow, and others. The event was covered by Ms. Jessica Soni & Mr. Gautham – EBSB Members from TAPMI.

The presentations revolved around key issues such as overcoming geographical challenges, diversifying the economy, leveraging natural resources sustainably, and reversing migration trends. Participants proposed innovative infrastructure solutions, strategies for green industrial growth, and initiatives to enhance rural employment.

Virtuoso 2024 successfully fostered meaningful dialogue and generated actionable insights to aid Uttarakhand's journey towards doubling its GDP by 2047. The event underscored the importance of inclusive and sustainable development and provided a platform for young leaders to shape the future of the state. The ideas presented during the event hold immense potential for real-world implementation, reflecting the commitment of the youth towards building a resilient and prosperous Uttarakhand.
