Objective of Event:

Madhya Pradesh has been home to the cultural and spiritual heritage of almost all religions. Under **AZADI KA AMRIT MAHOTSAV - EK BHARAT SHRESHTHA BHARAT** initiative, **Acropolis Institute of Technology & Research, Indore, Madhya Pradesh**, in association with Rotaract Club of Acropolis Professionals, paired with **Govt. Polytechnic Seithekema C, Dimapur, Nagaland**, held a "Cultural and Heritage Exchange/Exploration Session" in online mode on April 9th, 2022, from 11:00 AM – 12:00 Noon. The objective of the session was to promote a sustained cultural connection in the areas of language learning, culture, traditions, music, tourism, sports, cuisines, and the sharing of best practices.

The session started with a welcome speech by a student of AITR, followed by Saraswati Vandana, and then the speech was given by the Director of Acropolis Institute of Technology & Research. Next came the presentation prepared by team Madhya Pradesh, which covered the topics like:

- MP's Dance, Culture, and Art
- Famous Monuments and Temples
- MP's Important Cities
- Trade and Commerce
- Famous Dishes
- Forests and Wildlife
- Some Amazing Facts About MP
- Famous Personalities

We concluded our presentation by stating that with beautiful waterfalls and a rich history, Madhya Pradesh is indeed a spectacular place. The heart of the nation with its numerous roads as its heartbeat, this state was once the largest! It still holds that place in our hearts!

Afterwards, the Principal of Govt. Polytechnic Seithekema C, Dimapur, Nagaland took over the charge and stated that they were extremely happy and thankful to be a part of the event shared with Acropolis Institute of Technology and Research, Indore. He stated that our country is blessed with a diverse culture and social heritage. National integration to bring together the people of the country can be achieved by understanding the diverse culture. He also stated that they were to enhance their knowledge of each other and be a catalyst in making the programme a grand success.

Then, team Nagaland, They presented their presentation, which started with a beautiful story about how the "Dog lost the horns". Then they presented their respected diverse culture, the Hornbill festival, food habits, tribes, their love for music, their sense of dressing, and many more interesting facts.

The special guest of honour for the session, Dr. Jayantilal Bhandari, addressed the participants and enlightened them with his words of wisdom. He told us about the importance of our country, "India", and its role worldwide, how India is growing in today's world, and compared today's development with the past one.

Next in line was the Vote of Thanks delivered by Prof. Jayant Awasthy, Convener and Head of the Civil Engineering Department, also faculty convener of RCAP. The session came to an end with the National Anthem, symbolizing the integrity and harmony among all.

The session was a way to experience the culture of one another and gain knowledge about cultural diversity. There is no country like India, quite as diverse, multilingual and multicultural, yet bound together by the ancient bonds of shared traditions, culture, and values. Such bonds need to be strengthened through enhanced and continuous mutual interaction between people of varied regions and ways of life so that it encourages reciprocity and secures an enriched value system of unity amongst people of different states in a culturally special country like INDIA.
