## EBSB Dance performance on Annual Day

The annual day celebrations of CVR College of Engineering were held on 14-03-2020. The program began with a bang, there was one dance performance where students danced in two groups symbolizing an exchange between the cultures and finally the two groups came together and finished it off with the Bollywood hit “*Kehte hain humko pyaar se Indiawaale* “ as two cultures become one under India’s roof promoting unity in diversity. While this showcased the club’s beliefs and ideologies, the annual day events were filled with competitions that promoted them. First up, there was the singing competition. The students sang Haryanvi folklore, the competition was conducted for solo and group singing. During Solo singing, there were **12 number** of participants, the runner up was Jigyansa. While Ravi Teja was first. In group singing the winning trio was Nikitha, Rani and Kusum was their song. After the singing competition, Ad-Zap competition was conducted the students made creative ads in Haryanvi and enacted them. It was a fun to witness, there were all sorts of crazy ideas that were involved, from light bulb ads to agarbatti’s. The plots and the characters were so funny, it sent the audience rolling on the floor! Vinod and Tejaswini won the competition
