EBSB_CVR club organized Food Festival

The Ek Bharat Shreshtha Bharat Club of CVR College of Engineering, observed Food Festival as a part of club's activities on 11-03-2020.

In the food fest, tastes of both cultures were relished. The food stalls sets by the students hadan assortment of sweets like *Jalebi*, *laddos* etc,.. and Haryana's famous *Lassi* made in a clay pot. All the guests and faculty members were served the snack. The earthy flavors reminded us of the sweet Haryanavi people. Since, the event is all about national integrity, the stall also featured Telangana's dishes like *wada*, *sambaar* and *payasam*.
