Faculty,
MMICT&BM (Hotel Management),
MMDU, Mullana

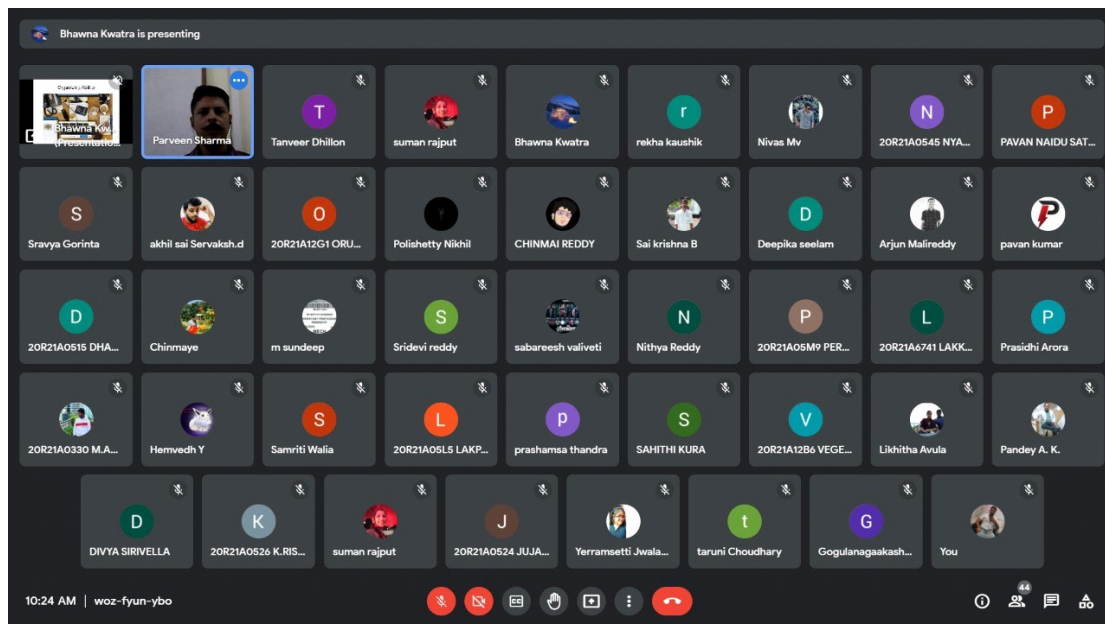

Organized By : **MMICT & BM (HM) & MLR institution**

About webinar :

The CAME CLUB of MLR INSTITUTE OF TECHNOLOGY and MAHARISHI MARKANDESHWAR - DEEMED TO BE UNIVERSITY successfully organized an interactive webinar on "FROM MAN TO GENTLEMAN.A JOURNEY WITHIN THE SELF" on 12th October 2021.

The guest speaker for the session was Mr. Parveen Sharma, Faculty of Personal development at MMITC&BM(Hotel Management) and MMDU , Mullana. It was a very informative webinar as Mr.Parveen Sharma enlightened the audience with his circumstantial explanation. The webinar began with a traditional note, praying to the Saraswathi maata. The session saw an overwhelming response from students and the faculty members who took part in the session.

The speaker started the session by providing an insight about some key points that concerned about being a gentle man in the society. Main areas which were emphasized upon include

- What being a gentle man is all about
- Art of being a gentle man
- Grooming advice for gentleman in every individual

Furthermore, the students understood about personal development skills and why they play a prominent role. Few of them are problem-solving, quick decision making, self-confidence etc.

Mr.Parveen Sharma guided the audience with his knowledge in the field of personal development and instructed the students, how they can build these skills for being a successful gentleman in the society. He also included activities which rose the keenness of knowing about the topic held in the webinar.

The webinar concluded with the vote of thanks by the A.k pandey, faculty of MMDU, followed by our National anthem.

It was a really knowledgeable and interesting session. The society looks forward in conducting more such webinars in the near future.
