**DATE:** 12-12-2019 (Thursday)

**VENUE:** F-202 Hall

**“Alone we can do so little, but together we can do so much.”**

Our National Service Scheme has a motive of developing student’s personality and character through community service. It also focuses on the unity of diverse group of people. As a part of this, in the context of a central government program **Yuva Ek Bharath, Shrestha Bharath**, our National Service Scheme organized a cultural meet wherein Tamil Nadu students and Jammu and Kashmir students interacted and showcased their cultural dance and song. The program commenced by 4:30pm. This program was coordinated by our program officers, **Dr.R.Senthil Kumar and Dr.T.Vasanthi**.

The program commenced with a warm welcome. This program focused on cultural interaction between Tamil Nadu and Jammu and Kashmir. Firstly, Dr.Shankar, Department of English, PSG College of Technology sang a folk song of Tamil Nadu. It was very warming and truly reflected the cultural essence of Tamil Nadu. It was followed by a folk dance by Tamil students. Meanwhile, Kashmiri students were mesmerized by the Tamil Culture. After that, a Ladakhi song was sung by Kashmiri boy. Then, the Kashmiri boys performed their folk dance which was really very energetic and exciting. Thereafter, classical dance of Tamil Nadu, Bharathanatyam was performed by Tamil Nadu Student. So, this session created a good platform for the students to learn their culture and the other state’s culture. This was helpful for the Kashmiri students to cope up with our tradition and culture. Finally, national anthem was played to portray unity in diversity. Overall, this event was a great success and served as a perfect beginning for the endless service.
