“Allow the way to your great work to be guided by your service to others”

NSS helps the Indian citizens to understand the community in which they work, to understand themselves in relation to their community, to identify the needs and problems of the community and to involve them in problem-solving. The Motto of NSS **"Not Me but You"**, reflects the belief that the welfare of an individual is ultimately dependent on the welfare of the society. As a part of this, a central government program **YUVA EK BHARATH SHRESTHA BHARATH** was conducted on 14th November 2019. The program commenced at 4.30-6.00pm. The event was coordinated by our Program officer **Dr.R.Senthil Kumar**. Around **50 students** participated in the program enthusiastically.

Our Program officer **Dr.R.Senthil Kumar** addressed the gathering. He briefly explained about the importance and the benefits of Tamil language. This session was an interactive session between Jammu Kashmir students and Tamilnadu students. Firstly, all the students discussed about their own traditions and customs. Jammu Kashmir students taught Kashmiri language to our Tamilnadu students. So this created a good exposure among our students. Then, Tamilnadu students also taught Tamil language to Kashmiri students. This was very helpful for them to cope up with our culture and tradition. Thereafter, our students sang a song to praise their mother tongue. This created a good vibrant among the students. Then, a flash was played which portrayed the beauty of Tamil language. Finally, the program was a grand success and served as a perfect beginning for the endless community service.
