

KIET GROUP OF INSTITUTIONS, GHAZIABAD
ACTION REPORT- 'EBSB CLUB'
WEBINAR

EBSB club had organized the most intriguing and edifying event(webinar) for you all kiet students.

The topic of the webinar was-

"Water conservation"

(Water = Life, Conservation = Future!)

No water, no life! So, it is our responsibility to conserve this life nectar.

This time to motivate all the students EBSB club organized this webinar where the students reaped an opportunity to attend a speaker session of the renowned orators, through which one can enrich their understanding of the habitat.

Summary-

The speakers were wholeheartedly welcomed by the student coordinators and the event commenced on a very optimistic note.

Special mentioning to the speakers of the day, those who enlighten the students with their knowledge and proficiency

1. Arushi Aran
2. Gunjan main
3. Meenakshi Karnwal

Students showed full enthusiasm and raised many queries in between the event, which was very well taken by the speakers. In the end, the student coordinators lent Thank You note to the speakers of the day.

The webinar was smoothly conducted under the direction of our faculty coordinators -
