Name of the Activity: HIV/AIDS.

India is a developing country.....not in industry but in diseases like HIV&AIDS.Most of the people think that it is a sin or a matter of shame tom discuss AIDS publicly.Many people have still under some dogmatic beliefs that HIV/AIDS spreads through shaking hands,sharing toilets etc.So the NSS Unit has decided to create awareness on such lethal diseases. The NSS Unit invited Dr. Johnson Sataras, Member in APSACS to make a speech. But due to shy some of the villages did not turn up. But the Unit was successful in taking the message into the people about HIV/AIDS.
