Programme to focus on the reuse of water, recharging of structures and intensive afforestation in SPIHER Campus

The Institute organized a programme on 18th September 2019 to focus on reuse of water, recharging of structures and intensive afforestation. The Deputy Collector of Tiruvallur District Ms. D.Rathna along with the officials of the Institute, Dean Engineering Dr. K.V. Narayanan and Dean Arts and Science, Dr. M. Venkataramanan and NSS Officer, Dr.P.Periyasamy participated in the event along with faculty, staff and students. Photographs of the events are attached below.
