Creating Awareness among students and faculty about EBSB and the culture of Jharkhand

Due to the Nationwide Lockdown going on owing to Covid – 19, awareness regarding the Ek Bharat Shreshth Bharat initiative for the students and faculty of Agnel Institute of Technology and Design (AITD) was created through institutional mail id's.

A detailed write-up was mailed regarding the EBSB initiative which included the background of India, the objectives of EBSB and the activities that will be held under the same.

The mail was sent to all the group email id's of staff and students which comprised roughly about 815 id's.
