IUCEE SCALE Local Student Workshop (LSW) “Techno Synapse”

Atharva IUCEE SCALE organized Local Student Workshop (LSW) “Techno Synapse” on September 13 and 14, 2019. The objective of the workshop was to encourage students to think and focus to work together and accelerate the process of improving the quality of engineering education and research in Smart India Hackathon 2019-2020 and to provide Internship opportunity for maximum number of students.
