ROLE PLAY ON ALCHOLISM

Street play was enacted by MBA students and members from JEEVA SHANTHI TRUST on social awareness theme on 09.12.2019, the show was so realistic among the public, that had created very big sensation among the public too. The theme was all about addiction to alcoholism, how an alcohol addicted father passes out in the road side. It was indeed sentimental to watch the boy's emotion on his father's death in a public place.
