Department of Electrical Engineering

Report on Students Solar Ambassador Workshop

IIT Bombay Solar Ambassador organize Workshop in association with Government College of Engineering Nagpur on the occasion of 150th Birth Anniversary of Mahatma Gandhi on 02nd October 2019. There was overwhelming response from the students of G. H. Raisonni Institute of Engineering & Technology & G H Raisonni Polytechnic Nagpur. Program was successfully conducted by 5 master trainers from Electrical Engineering Department. Mr. Rohit Garg, Ms. Pallavi Khandre, Ms. Sheetal Saverkar, Ms. Shefali Tayade, Ms. Shaziya Pathan & Mr. Jayesh Somkuwar worked as student volunteers

In the wake of energy sustainability and mitigating climate change, the idea of “Energy Swaraj” or localized energy self-sufficiency has been conceptualized. Gandhi Global Solar Yatra is planned by IIT Bombay not only in India but across the globe to sensitize the young minds towards solar energy and dire consequences of climate change. The young generation, who will bear the maximum burden of climate change, has to be an integral part of this clean energy revolution and Energy Swaraj. A culmination event of this yatra, the Students Solar Ambassador Workshop, is being organized by IIT Bombay on 2nd Oct. 2019, marking the 150th Birth Anniversary of Mahatma Gandhi, wherein hands-on training will be given to students to make their own solar study lamp. The whole event was successfully coordinated by Devesh Sarkar, Institute Coordinator, SSA Workshop.
