Activity Name: Janatha Curfew Pledge

Due to the outbreak of COVID-19 and subsequent threat of social spread Prime Minister Sri. Narendra Modi appealed the public to observe March 22 as Janatha Curfew all over India. Accordingly a pledge was published in My Gov website. Most of our EBSB club members took the pledge that they will observe and co-operate with the Janatha Curfew appealed by honourable prime minister. Some of the members took the pledge in Hindi also.
