

Report on the Tree plantation drive :

On the preindependence day 14.8.2019, a Tree Plantation drive was carried out by the students of DYPDBM. More than 45 Asoka trees were planted. The tree plantation was organized with the help of Dr.Nath, Corporator, NaviMunicipal Corporation.

Additionally more than 100 students participated in this tree plantation exercise. On this occasion Prof. Dr. R. Gopal, Professor at DYPDBM said that tree plantation is one of the best methods to decrease the world pollution.

It is however necessary to maintain these plants by proper watering etc. Dr. Nath said that NMMC is in the forefront for reducing the pollution and they would provide free tree sampling to whomsoever desires.

Dr. Vani Kamath Dean of the Department requested the students to plant trees in their societies also. Sharayu a MBA 1st year student said that such exercises help in inculcating a sense of appreciation to the nature.
