

Talent management on digital world and Entrepreneurship

An event was organized on 04-03-2020 at our college by the student committee of the college, titled "if I can do it, you can do it, anyone can do it". The guest of the program was Mr. Sidd Ahmed, Founder & CEO of VDart Group, one of the leading digital talent management, solution and product companies found in the industry globally. He has received Government's Small Business Administration for Entrepreneurial Success 2018, Small Business Person of the Year – 2017 and the coveted Entrepreneur of the Year Regional Award for 2017 and Eagle Award for 2017 & 2018. He talked about his journey from being a salesman to being one of the most successful entrepreneurs of US. He inspired students to take risks, have a vision, believe in it and give it all it takes. He interacted with students at length, answered questions regarding entrepreneurship, leadership and problem solving.

The seminar Hall was packed by students. Nearly 300 students attended the program.
