

## **Upliftment of communities through Education".**

An event was organized on 07-03-2020 at our college titled "Upliftment of communities through Education". The guest of the program was Mr. U Nisar Ahmed, IPS, IGP Rtd, Govt of Karnataka, he is also the Chairman of National Centre for Research & Development, an NGO aimed at empowerment of underprivileged.

He talked about the importance of education, the need to get into research and contribute at the highest level. He highlighted the problem of dropouts in the underprivileged communities. He asked the people present to understand their responsibility as leaders of communities and to stand up for them.

The program was attended by well-known persons of the city. Nearly 200 personalities attended the program.
