Cultural Awareness of the paired state “HARYANA”

Date: 10.04.2020

Due to the COVID-19 situation in our country where the whole nation is in lockdown we are making use of social media in every which way to organize ESEB activities. As Haryana is paired state to Telangana our students are made to watch the videos about cultural importance of the Haryana state. About 100 students have managed to see the videos regarding the subject mentioned.
