

## Ek Bharat Shreshtha Bharat

### Dissemination of information about paired state

As a part of EBSB students of our college are made to go through important aspects of Haryana state and its culture. The students were given references through web platforms like youtube and google. After giving students enough time to go through the mediums of learning they were given a specific date on which a Quizz will be conducted through online platform. On 29.05.2020 a quiz was conducted on dissemination of information about Haryana state and its culture. Around 300 students have submitted their responses through Google platform.
