### Report

In view of lockdown condition, due to COVID 19, students are unable to report to college, so under **work from home and learn from home model** created **Google classroom**.

Use of this virtual class room with internet based tool is one of the effective way to reach to every student

With this model students perform following activities.

1. Students should read and understand the learning material(Videos, PPTs etc) provided by teacher via Google Classroom.
2. Raise query, if any.
3. Solve the given assignments
4. Upload the assignment solutions to cloud for assessment

Learning Outcomes:

1. Adopt learning with various online tools and techniques

Home page of Google Classroom

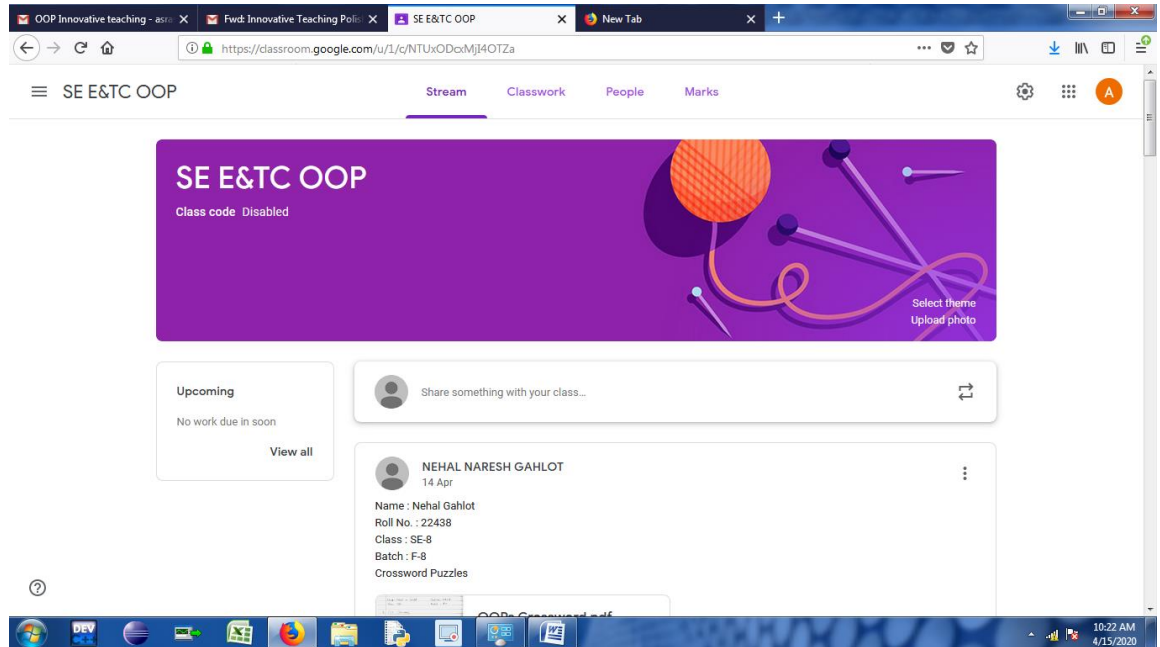

The screenshot displays the Google Classroom interface for a class named "SE VII OOP(E7& G7 batch)". The class code is "3gbgxr". The page features a header with navigation options: Stream, Classwork, People, and Marks. Below the header, there is a banner for the class with a "Select theme" and "Upload photo" option. A section titled "Upcoming" shows "No work due in soon" with a "View all" link. A message from the teacher, Ajinkya Rasal, dated 13 Apr, is visible. The message reads: "Dear all, It's regarding assignments and mini project submission... In view of current scenario we have decided to extend submission date, I will let you know the submission date soon...but meanwhile try to complete Assignments by utilising available resources you have to avoid late submission". The bottom of the page shows a Windows taskbar with the system clock at 10:21 AM on 4/15/2020.
