## 11. Village activities : Street play against the use of plastics

As a part of sensitizing the community on developing an “Eco-Friendly Culture”, EBSB club in association with the Department of Social Work, has made a street play (named “KIRAATHAN”) and presented it in the campus and nearby schools. Through the event the team tried to give the message on the alternatives which has to be taken instead of using the plastic or such materials. They have highlighted practices on different situations by different persons.
