Guest Lecture by Dr. Rajendra Singh - Waterman of India

Date: 06/02/2020

A guest lecture is organized for the students and faculties by MET's Institute of Engineering. The speaker for the lecture is Dr. Rajendra Singh is an Indian water conservationist and environmentalist from Alwar district, Rajasthan in India. Also known as "waterman of India", he won the Magsaysay Award in 2001 and Stockholm Water Prize, an award known as "the Nobel Prize for water" in 2015.

Dr. Rajendra Singh guided students and faculties about the water conservation methods. He also explains, how the water is to be stored under the earth surface and also how to identified the earth pattern. In his lecture he urged to assign the project to the students and faculties for the water conservation.

The guest lecture was organized in Polytechnic Seminar Hall. Total 150 students and faculties have attended the lecture. The management also encourage the students and faculties for positivity towards water conservation and environment.
