Department of E&TC engineering

Mini project exhibition: 2019-20

A report on exhibition for Employability Skill and Mini project (ESMP) for Third Year Engineering students Savitribai Phule Pune University, Pune (SPPU).

Duration: 1 week. (1 May 2020 to 05 May 2020)

No. of groups: 110 (approximately 300 students) and 20 teams of teachers (40 teachers).

Course outcome (CO's) addressed by this activity:

CO3	Demonstration, Exhibition cum Competition
CO4	Synopsis, Project Report, Power Point Presentations

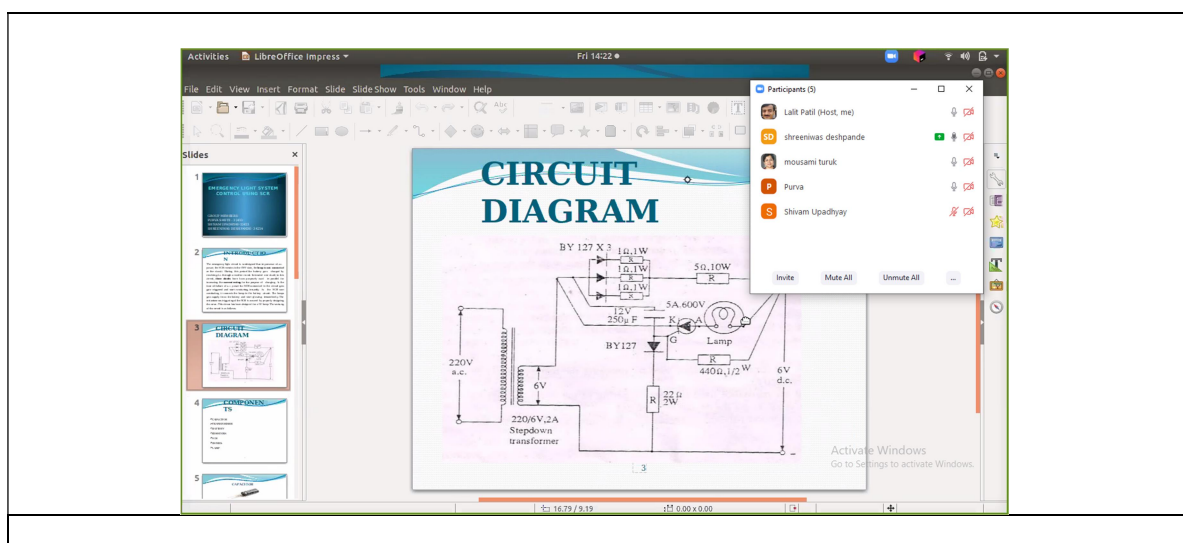

Conduction procedure:

- A group of two teachers evaluated six groups from TE classes (approximately there were 18 students).
- A zoom video meeting was arranged by teachers with these groups they were assessed based on following points.

	1	2	3	4	5	
Criteria for evaluation	Circuit Design / Program	Presentatio n skills	Depth of Understandin g	Contribution application future scope	PCB Design / Circuit Simulation	Total
Marks	05	05	10	05	05	30

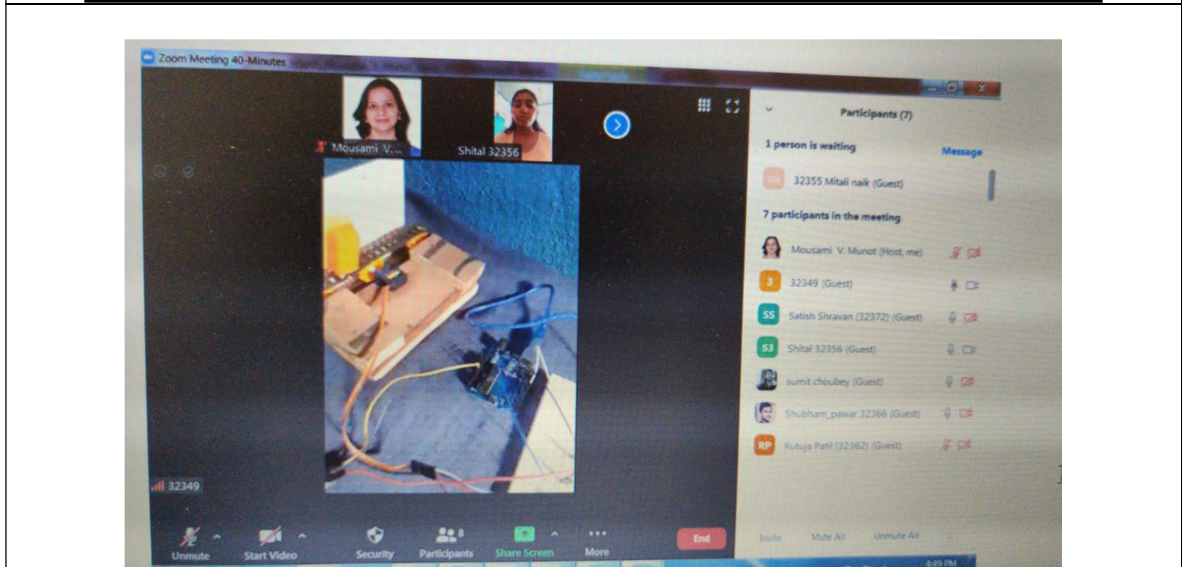

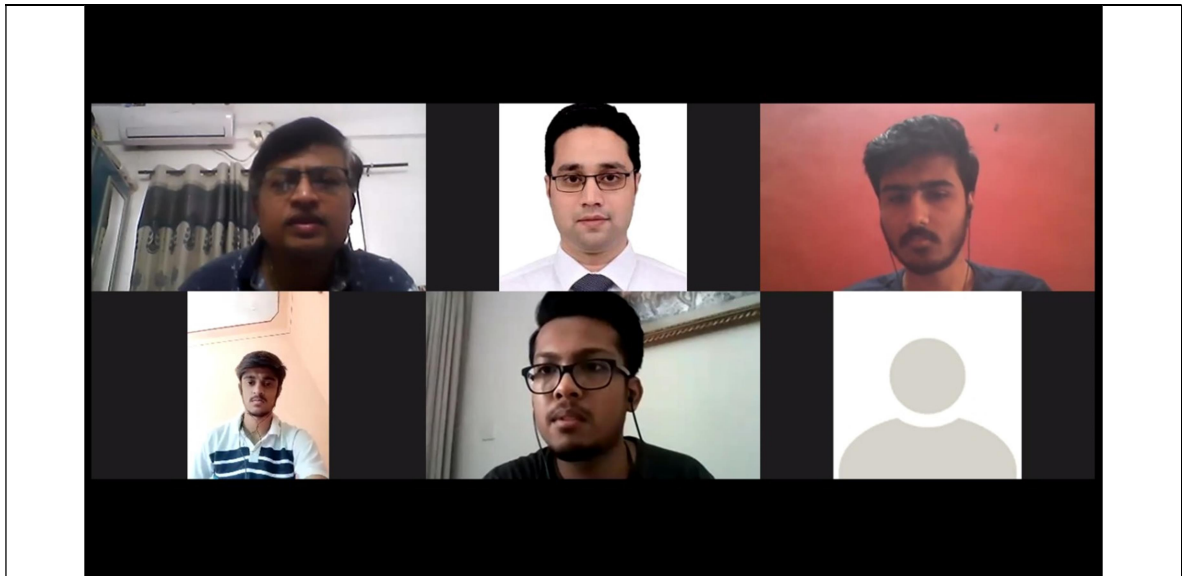

- The responses were collected from each teacher for each individual student for further processing.
- The groups, who scored highest marks, will be appreciated with certificate and some prizes will be offered to them.

Glimpses of conduction are attached here: Showing presentation by student and interaction with teachers.
