

## **Report on “Vijay Matrubhoomi” program**

A very concerted and carefully organised program called “Vijay Matrubhoomi” was started to fulfill the noble cause of feeding the poor and needy in these times of crisis. We are happy to share that many initiatives have been taken up by the institution since the Lockdown had started. Donation was given to PM Cares Fund and Chief Minister COVID care fund amounting to 11 lakhs. During these tough times, I.T.S is making tremendous efforts to provide support to thousands of people each passing day with its "Vijay Matrubhoomi" initiative. Every day, more than 2000 hungry people are being fed. We target to extend the support and feed approx 8000 people per day. Dry Ration Packets comprising of rice, pulses, salt, oil, and wheat/flour are being distributed to more than 1000 families daily.
