Activity: Awareness about Pandemic COVID 19 virtually

No of students attended: 80

Report:

By 19 March, 2020 college was locked down due to the Pandemic COVID 19 and there was no scope for live meeting of the club. Despite lockdown students actively participated and contributed towards creating awareness about the virus and measures to be taken to stay safe.

Students created different measures to engage in creating awareness in the form of videos, photos, procedure to prepare masks, sanitizers, precautions to be taken and also came up with the idea of natural and safe sanitizer.

Composition of Natural Sanitizer:

Turmeric powder

Neem leaves

water

Photos:

Clean hands with soap and water
or alcohol-based hand rub

Cover nose and mouth when coughing and
sneezing with tissue or flexed elbow

Avoid close contact with anyone with
cold or flu-like symptoms

Thoroughly cook meat and eggs

No unprotected contact with live wild
or farm animals
