2. Prof. Ankit Patel  
Assistant professor, Dept of Applied Engineering  
Government of Engineering College, Modasa  
Gujarat

## **The Report on Formation of EBSB Club**

Central Government of India has initiated a Project of Ek Bharat Shreshth Bharat through MHRD. The State of Gujarat is paired with the State of Chattisgarh. Under this initiative, paired states are to exchange their academic and cultural activities to make people aware about another region of the Nation. EBSB team of our college arranged one meeting with students on 9<sup>th</sup> March 2020 to aware them about EBSB Project and motivated them to join us. The meeting was held in the seminar Hall of Civil Engineering Building of the Institute.

Prof. Bharat Khatri briefed the students about the different activities of the project. He appealed the students to participate various activities under this project. He also discussed tentative planning of activities. The coordinators have taken quires from the students and told them to understand the important of the project for building the Nation. At the end of the meeting, the coordinators formed the EBSB club with 21 students from the various branches of engineering of the college. The coordinators and students planned next meeting on 7<sup>th</sup> April 2020.

Nodal Officer: Dr. Bharat Khatri

Coordinators: Dr. Mahesh A Yeolekar

Dr. Ankit Patel

Student Coordinator – Mr. Tej Patel

Student Coordinator – Mr. Trith Patel
