

TREKKING

On 5th October, 2019, our Sona NSS wing participated in trekking to Yercaud foot hill in the theme of “World Wildlife awareness” and ”Plastic Eradication”, which was organized by district forest offices and rangers. Around 80 NSS volunteers actively participated in this event. We started from college by 6:30a.m. and reached Yercaud foot hill by 7:00a.m. We started trekking by 7:15a.m. On the way of trekking we saw different kind of birds and animals. The event was ended by 1:00p.m.
