

S.M.B. Government P.G. College, Nathdwara

Report- April 2020

- College students and NSS volunteers engaged in a healthful campaign to **"Make and take masks"** for free distribution in April 2020.
- Dr. Chakrapani Upadhyay led the online drive to implement the safety measures against the Covid 19 pandemic by personal example. Cotton masks are easy to make, take, use, re-use and clean at home. Around 2500 cotton masks were made and distributed among the needy through field workers.
