

ONLINE INTERACTION ON “COVID-19: STAY HOME & BE SAFE”

On 25th March,2020, an online interaction with the students was conducted through whatsapp to discuss on Covid-19 and the safety measures to be taken. The need for hygiene and social distancing to protect from corona infection were explained and the students were advised to stay at home. Further, they were insisted on passing the knowledge to others and to ensure the safety of their family too. Around 54 students participated in the interaction.
