

Report on
Classes to Teach language of paired States
at Institute for Excellence in Higher education, Bhopal
on 15/02/2020

Students of the Institute for excellence in Higher education are being facilitated to learn the language of paired states through various online options available. Mobile apps like “Learn Nagamese” and “English to Manipuri Dictionary” are also using by students for learning purpose. As a part of monthly activity, teaching the language of paired states in a class was organised on 15th February, 2020.
