AMBROSIA '19

Ambrosia is an event conducted by the Literary Society under the supervision of the Poetry Society (sub-society of Literary Society). Ambrosia was conducted on 19th November 2019 at 5:30 PM. We had various performances in the well-lit and appealing ambience of the Main Auditorium. The main purpose of this event is to display different kinds of performing arts and to provide a welcoming and warm platform for the participants to do so. They had various performances like poetry recitation, singing performances, dance routines, stand-up comedy, spoken word and the beautiful poetic symposium, Mushaira.

A soothing ambience was created in the Main Auditorium using curtains, stage lights. Proper mic and sound system, foot mics and sound catchers were provided for the comfort of the performers. Since the event went from 5:30 PM to 9 PM, and surpassed the dinner timings of the hostels, proper refreshments were provided to everyone.

The Poetry Society had conducted auditions beforehand to select the performers and the performances. After having finalised the participants and the acts, the practices for the final night went on for 2 weeks where the members of the Literary Society helped all the performers to perfect their act and practice for the final performance.
