Civil Engineering department of Mount Zion College of Engineering and Technology, in association with The Institution of Engineers India [IEI] and MHRD – Institution Innovation Council has organized Industry connect 2020 – webinar on “Job opportunities in quality control and quality assurance” on 2nd of June 2020. The total numbers of participants in the webinar are 61. The resource person for the webinar was Mr. P.Saravanan, QA/QC Engineer, L&W Construction Pvt. Ltd., Bangalore. The event was organized by M.Vijayprakash AP/Civil and Head and Coordinated by S.Sujin Jose AP/Civil.

Summary:

Our host started the session with an introduction of purpose of ensuring quality in a construction yard, their benefits and why to ensure quality in a construction site. With the help of differences between Quality Assurance and Quality Control, he explained every single component that are being taken care during the construction process. Furthermore he gave students ideas and suggestion on working platforms in civil sectors, and concluded that by starting their carrier as a QA/QC engineer in site they can learn more.
