

## Ek Bharat Shreshtha Bharat

### Language learning of paired state (Haryana)

31.05.2020

As a part of EBSB activities our students are encouraged to know about the importance of Haryanvi language and also making them to learn them through digital platforms.

A total of 50 sentences from Haryanvi language are taken up from the web sources which are translated to their actual meaning in English. This data is forwarded to students to go through it and made them to practice it. After giving them sufficient time and specifying a particular date around 50 students have participated in language leaning competition .
