NSS BLOOD DONORS

We, NSS Unit-I of Voorhees College feel immensely proud to report that apart from conducting and participating in the blood donation camps organized by NSS Units, various Departments of College, Red Ribbon Club, and NGOs like Rotary International, Lions Club, JCI, Rotaract and others, most of our NSS Volunteers have registered as voluntary blood donors and they have been doing this great service by donating blood to the needy patients from many hospitals particularly CMCH, Vellore. Awareness on blood donation and importance of being a blood donor are nurtured into the young minds with utmost concern and care for the nation
