

GOVERNMENT ARTS COLLEGE FOR WOMEN (AUTONOMOUS) PUDUKKOTTAI

DEPARTMENT OF COMPUTER SCIENCE

02.06.2020

The entire World is facing a critical situation due to the impact of COVID-19. As a result, the working pattern of the entire country is now changed. Most of the Businesses, Company and Academic activities are carried out through online. To create awareness about the Network Security and to ensure security among the shared data, the Department of Computer Science, Government Arts College for Women (Autonomous), Pudukkottai has decided to conduct an e-Quiz for the student, faculty, research Scholars and the Public. The department has conducted three day National Level Online e-Quiz on “**Network Security**” from 27.05.2020 to 29.05.2020. Due to the overwhelming response of the participants and as per the requests received all over the country, the quiz has been extended by one day and closed on 30.05.2020. The minimum pass percentage of the National Level Online e-Quiz contest was fixed at 40%. Contestants from various states all over India such as **Andhra Pradesh, Assam, Chhattisgarh, Haryana, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Rajasthan, TamilNadu, Uttarakhand and Uttar Pradesh**, participated in the Quiz. There were totally 709 respondents, out of which, 460 participants successfully completed their quiz and got their e-Certificate. This online Quiz has created awareness about the security features among the students, faculty, research scholars and the Public.
