Report on Library Orientation Program-2019

Under the guidance of our respectful Principal we had conducted Library orientation program. It has been held from 2/7/19 to 9/07/19 for U.G and PG students of all our departments. Faculties are encouraged to bring their students to the library for an hour orientation session. These session conducted by Dr.A.Anbu JebaMalar, Librarian. It is designed to introduce our students about library's wealth of resources and to strengthen their research skills. Rules and Regulations, circulations, and information about the library resources were taught to all the new comers. This session will definitely bring a great impact on the students.
