

REPORT ON SCIENCE DAY CELEBRATION (28.02.2020)

In order to celebrate National Science Day a field trip was arranged on 28 th February 2020 to Birla planetarium, Chennai. About 250 B.Ed and M.Ed students of our institution visited Birla Planetarium at Kotturpuram on that day. It was an informative place for the future educators where they were loaded up with the facts about nature's beauty and future plans to protect our environment. Also there were shows that depicted the special arrangement of solar system and its functions. The day was a memorable one for the nation builders of tomorrow.
