

Activities planned under “EK BHARAT SHRESHTHA BHARAT” in Bhagwan Parshuram Institute of Technology, Rohini, New Delhi during 2019-2020.

In view of the objectives and implementation of “EK BHARAT SHRESHTHA BHARAT”, Bhagwan Parshuram Institute of Technology (BPIT) has formed a core committee for planning and smooth implementation of different activities under EBSB. We have interacted with the students to create awareness about EBSB and the paired state (Sikkim). The students were asked to initiate few activities to promote the rich heritage and culture, customs and traditions of Sikkim state.

In Bhagwan Parshuram Institute of Technology the following activities have been planned:

1. An essay competition for the students of BPIT to encourage and explore the knowledge about the paired state i.e. Sikkim. Through this competition the students will gather information about the culture, festivals, traditions, history, cuisine etc. of Sikkim.
2. Quiz competition at the university level to acquaint with history, culture, food, language and many more of Delhi and Sikkim.

In view of the covid-19 outbreak, all the institutes were closed, so these activities were postponed for some time. Now, two activities i.e. Essay competition and quiz competition have been planned in the month of July 2020 using online platform. We have interacted online using Zoom platform and shared the theme of the competitions to the students. Some of the pictures of the on-line interaction with the students is shared here.
