

III. AWARENESS PROGRAMMES

1. AWARENESS ON WILD LIFE CONSERVATION

In connection with Wild Life Conservation Week, III- B.Sc Zoology students participated in the cultural activities to create awareness on wildlife and forest conservation to public. In the inaugural programme held on 02.10.2019, a Mini Zoo was arranged at Amirthi Forest by Tamilnadu Forest department, Vellore district. Our students participated and performed many cultural events. To watch the videos click the given link <https://youtu.be/VzTFDcWqA>.
