As part of the annual meeting of the Nurture Club of the department of Home Science of the college, a Guest Lecture was organized on September 6, 2019. Dr.(Mrs.) S.Vanathi, Principal, presided over the event. Dr.K.Arun, Consultant Diabetologist & Endocrinologist, Madurai Institute of Diabetes & Endocrinology (MIDE), gave a special lecture on “**Thyroid Health of Women Demystified**”. He described the various thyroid disorders prevalent in women and ways to identify and treat them. Undergraduate and post graduate students of Home Science actively participated in the discussion. The event was followed by a free thyroid camp. More than hundred students benefitted from the camp. Earlier, Mrs.J.B.Sharmila, Head of the department of Home Science welcomed the gathering. The first issue of the newsletter ‘*NutriNews*’ was released by the department to commemorate the 40th year since inception of the department. A memorandum of understanding was signed between the college and the MIDE to facilitate dietetic training and placement of the final year students of Home Science. Ms.S.Ayisa Parvin of II year M.Sc. Home Science proposed the vote of thanks.
